DECLARATION

I declare that I have been given the opportunity to read the General Regulations of the Motor Sports Association and, if any, the Supplementary Regulations and commercial undertakings for this event and agree to be bound by them. I declare that I am physically and mentally fit to take part in the event and I am competent to do so. I acknowledge that I understand the nature and type of the competition and the potential risk inherent with motor sport and agree to accept this risk. Further I understand that all persons having any connection with the promotion and/or organisation and/or conduct of the event are insured against loss or injury caused through their negligence. I also understand that the Series Promoters enter into a number of contracts each year in connection with the staging of the Championship, including (without limitation) with the owners and operators of circuits which host Championship events (collectively, and together with any ancillary or related terms, conditions, rules and/or regulations, the "Contracts"). Therefore, as a fundamental condition of the Series Promoters permitting you to participate in the Championship, you hereby agree to indemnify the Series Promoters against all liabilities, costs, expenses, damages and losses (including but not limited to any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal costs and all other professional costs and expenses) suffered or incurred by the Series Promoters (or any of its directors, officers, employees, agents or advisers) arising out of or in connection with: (i) any actual or alleged breach by the Series Promoters of any Contract where such breach or alleged breach is caused by the actions or omissions of you or (in the case of each team) any of your officers, employees, agents and/or advisers (including, without limitation, all drivers, pit staff, support personnel and any other individual gaining their accreditation to attend Championship events through or from you or any such person); and/or (ii) any breach by you or (in the case of each team) any of your officers, employees, agents and/or advisers (including, without limitation, all drivers, pit staff, support personnel and any other individual gaining their accreditation to attend Championship events through or from you or any such person) of The British GT Championship Regulations 2017. To the best of my belief the drivers possess the standard of competence necessary for an event of the type the entry relates to and that the vehicle entered is suitable and roadworthy for the event having regard to the course and the speeds which will be reached. The use of the vehicle hereby entered is covered by insurance as required by the law which is valid for such part of this event as shall take place on roads as defined by law. I understand that should I at the time of this event be suffering from any disability whether permanent or temporary which is likely to affect prejudicially my normal control of my vehicle, I may not take part unless I have declared such a disability to the ASN which have, following such declaration, issued a licence which permits me to do so. Any application form for a licence which was signed by a person under the age of 18 years was countersigned by that person's Parent/Guardian/Guarantor, whose full name and addresses have been given. If I am the parent/guardian/guarantor of the driver I understand that I have the right to be present during any procedure being carried out under the Supplementary Regulations issued for this event and the General Regulations of the MSA. I also understand that this entry form is provisional until the vehicle details have been submitted and accepted. Once the details have been checked the entrant will be informed. This entry refers to the team and car specified and cannot be re-assigned. In exceptional circumstances teams may be able to move this registration to another vehicle but only with the express, written permission of the organisers of the championship. Any prize money will be made payable to the team unless otherwise requested in writing and signed by both the team and drivers.

The full registration fee as laid down in the regulations (1.4.2) is payable to SRO and must be included with this registration. This fee is non-returnable. Entrants may, if they wish, enter on a race-by-race basis at the cost detailed in the championship regulations and is payable to SRO. The fee for the first round must be included with this registration fee and subsequent payments must be received by the co-ordinator at least one full week prior to each event. You are advised that information on this form will be stored on a data retrieval system and may be used for publicity purposes. I agree to rounds of the championship being substituted in the event of a cancellation.

I agree to abide by the published 2017 British GT Championship Regulations including Commercial Undertakings and to repay any costs incurred by negligence and non-adherence to these Regulations and Undertakings.
